

# THE NEW MINI JOHN COOPER WORKS ANNIVERSARY EDITION.

THE UNEXPECTED UNDERDOG.

Celebrating 60 years of the iconic Mini Cooper and the ongoing legacy of the MINI and John Cooper brands, the new MINI John Cooper Anniversary Edition is a very special limited edition. Based on the John Cooper Works model, it comes with a fixed specification including unique edition content and graphics. Featuring Rebel Green exterior paint colour and a contrasting white roof, mirror caps and bonnet stripes – which have become synonymous with the classic Cooper race cars, this is enhanced further by white door handles and headlight rings. There's also a nod to the first Mini Cooper race winner, which won the Snetterton Lombank Trophy as number 74, in the year following its creation. This number is featured on the door and offset on the bonnet, along with the iconic Cooper Car Company logo on the side scuttles and door sill finishers. The new MINI John Cooper Works Anniversary Edition is limited to 740 vehicles worldwide with only 60 units in the UK. So what are you waiting for?
